## 11. Subject Matter Expert Committee Reports

- a. Arrest Control Technician Craig Klukas

Arrest Control member Technician Craig Klukas reported that they had 12 members in attendance at their last meeting. They received six injury reports and scheduled three official inspections as a result of the volume of injury reports. Their next meeting will be in Montrose. Technician Klukas announced he will be resigning from the committee.

- b. Curriculum Janet Larson, Chair

The Curriculum SME chair Janet Larson reported that the committee met every month of the quarter. They added two new members but still need more members. They completed a review of the Thornton Academy and started a plan for revisions of curriculum.

- c. Driving Commander Karl Smalley, Chair

Driving SME Chair Commander Karl Smalley reported that they had a quorum of eight in-person present and seven virtual in the morning meeting. All instructor packets were approved. Supplemental materials will be ready for the September meeting, and they are scheduling test outs for July.

- d. Firearms Officer Scott Acey

Officer Scott Acey reported that today's meeting was Co-Chair Sgt. Jeff Bredehoeft's last meeting. He has served 19 years on this committee. At their March 15<sup>th</sup> meeting they obtained a quorum and approved one person as a new full skills instructor, one handgun instructor program that was reviewed and approved, and one that was denied; was later resubmitted. One red-dot sighting system instructor program was approved, and another one that was submitted but was denied then resubmitted. In April, they formed a subcommittee that is currently in the process of working on some information regarding conducting red dot sight handgun instructor program to be combined. At their May meeting they had a quorum; three full skills instructor application were approved, one handgun instructor program was approved, and three red dot sight instructor programs were approved. During today's meeting they had a quorum, and there was one full skills applicant approved. Earlier this year the firearms committee began reviewing the POST handgun qualification corce of fire to clarify and standardize the application of the course and the commands given.
