POST Academy  
**RENEWAL APPLICATION**

September 2021

POST RULE

**21**

POST is statutorily responsible for ensuring compliance for law enforcement training academies. The number of POST academies has surpassed the staffing ability of POST to ensure compliance efficiently and effectively (i.e. more academies continue being approved but POST staffing remains the same and the compliance expectation remains the same legislatively). POST ensures compliance by doing the following for each POST academy:

- Reviewing individual hours of academy schedules
- Reviewing all documentation verifying recruits are eligible for certification
- Proctoring certification exams and issuing certificates
- Coordinating and conducting audits and inspections

POST Rule 21 now requires all continuing academies to submit an application to the POST board for renewal every five years.

Please submit the following application for review by the POST board to make a determination regarding your ability to continue hosting a POST academy.
