If you answered no to the question about US citizenship, does your immigration status prevent you from lawfully possessing a firearm under 18 U.S.C. § 922(g)(5)(A) or (B)?

To be eligible for POST certification, you must be able to lawfully possess a firearm so that you can complete the required firearms skills training (see C.R.S. § 24-31-305(1)(a)(II) and POST Rule 12(a)(V)(B).

Under 18 U.S.C. §§ 922(g)(5)(A)/(B), you are prohibited from possessing a firearm if you are unlawfully present in the United States, or if you are present in the United States on a non-immigrant visa. To determine whether your visa is classified as an immigrant or non-immigrant visa, please refer to 8 U.S.C. § 1101(a)(26). If you are present in the United States on a non-immigrant visa, you may qualify for certain exceptions under 18 U.S.C. § 922(y)(2) that would allow you to lawfully possess a firearm. This is a complex area of law, and we recommend you consult your attorney with any questions. We cannot give you legal advice.

We will not share your specific immigration status with the hiring agency or training academy unless you (the applicant) authorize it or have already shared that information with the hiring agency or training academy. However, we must inform hiring agencies and/or training academies whether you can lawfully possess a firearm. We will not share your personal identifying information for the purpose of federal immigration enforcement, in compliance with Colorado SB 21-131.
